# The Challenge:

Getting the most from your marketing dollars. Tired of paying too much for sub-standard photography work? Give Star Technical Services a try. We'll give you what you need at an affordable price.

Many companies have already discovered the benefits of using our services. Companies served include local, regional, and multi-national. We have also worked with many local organizations in fund raising.

## The solution...Star Technical Services LLC

Here is what we offer:

- \* Reasonable session fees
- \* Full ownership of photos retained by customer
- \* All proofs delivered to customer
- \* Electronic or printed deliverables
- \* Large print sizes available (poster sized and up)
- \* Complete satisfaction or your money is refunded
- \* Photography at your location or our studio
